Class 3 Newsletter

Dear Parents/Guardians,

Welcome back to a new school year! I am very excited to have the children back for a second year and I look forward to watching them flourish once more.

Transition from Class 2 to Class 3

Our aim is to ensure that the children experience a smooth transition from the Class 2 to Class 3. As I already know most of the children, this will be extremely helpful.

Morning Routines

When the children come into school in the mornings they will be expected to sit at their desk and complete any morning work which has been set. This may include arrow comments and writing in any learning objectives for the day.

PE Kits

The children will be participating in PE on a **Tuesday** morning and a **Thursday** afternoon. Please ensure that your child has their full PE kit, including plimsolls and outdoor wear, on these days.

Reading

The children have now all been issued with a new reading diary and will continue to bring reading books home. They can change their reading books each morning. For any AR readers, we will actively encourage the children to complete their quizzes at certain points in the day. Home school diaries will be checked on a Monday and we ask that these are signed and dated with all the children's reading including title of book, pages read and an overview of the story.

Homework and Spellings

We are very excited to announce that homework will be set on Tuesday via Class Dojo and a hard copy will come home in the children's homework book each week. The activity will need to be completed by the following Tuesday and then a new one will be set. Spellings will also be set on a Tuesday after an in depth analysis of the spelling pattern or rule and tested the following week.

I am looking forward to working with the children again so that we can have a very exciting and successful year. Please do not hesitate to send me a message via class dojo if you have any questions or queries.

Yours sincerely,
Mrs Aldous
