Pupil Achievements

Stars of the Week

Class R: Lily; Class 1: Charlotte; Class 2: Toby; Class 3: Vincent; Class 4: Kian; Class 5: Ilanit; Class 6: Evan

Word Millionaire

Congratulations to Poppy for achieving being a word millionaire.
A fantastic achievement.

More great news...

Well done to Caitlyn, Evan, Louis and Luca who have joined the 144 Club—what timestable superstars you are!

Attendance News

At the start of this term, like many headteachers, I expected our school attendance to be well below our whole school attendance target of 97%. I am very pleased that I have been proven wrong! Since being back at the start of September, attendance hasn't fallen below 95%, in fact for the last two weeks, it has been above 97%.

Autumn Term Parents' Evening

Information about Parents' Evenings have gone out today—please check your ParentMail for the letter giving details of how the meetings will work and how to book your appointments.

Street Dancing Club for Years 1 & 2

We are really pleased to be able to offer another Freestyle Club after the half term holiday: Street Dancing is back for Classes 1 & 2. The children from these classes will be having a taster session on Thursday 15th October. As with our other Freestyle Clubs, school will be subsidising this club through use of the Sports Premium, reducing the cost to parents.

Good News—Food Hygiene Rating

Yesterday, Mel, our cook, lead our food hygiene inspection and achieved 5/5. Well done to Mel and Zoe, our kitchen team, for not only providing our school with freshly cooked food but doing so to the highest of hygiene standards.

Just to let you know, after half term, we will be returning to a full menu, daily.
