### Pupil Achievements

#### Stars of the Week

Class R: Phoebe—for superb learning at home

Class 1: Leo—for completing all learning to a high standard

Class 2: Emma—for working very hard at home, resulting in great work

Class 3: Archie – for challenging himself with lots of extension tasks

Class 4: Luca— for engaging well in live lessons and submitting high quality work

Class 5: Kayce—for participation in live lessons and being supportive of others

Class 6: Tristan—for being well focused and producing great work in all areas

### Managing Attendance

During this period of lockdown, we are expected to monitor and report attendance for children both in school and for those learning remotely. Because of this, I want to take this opportunity to clarify what the expectations are.

**For children who are attending school:** if your child is due to be in school on any given day and they are going to be absent, please follow the normal procedure of calling school to let us know the reason for the absence.

**For children who are learning remotely:** if your child is unable to attend a live lesson for any reason, please let your child's teacher know. Similarly, if there is any reason that you are unable to send completed work to your child's teacher, e.g. illness, contact your child's teacher. We understand there are many challenges faced learning remotely; by keeping in regular contact, we can look for ways to support you.

### Lunches in School

Packed lunches can be ordered using ParentPay from Monday onwards. Please order for a whole week at a time due to reduced number of deliveries coming into school each week.

### A Guide to Lockdown

Attached to this email is 'A Guide to Lockdown' which we hope will help to support our families with the practicalities of the national lockdown and remote learning, and also provide some support for mental health and wellbeing. I hope you find it useful.
