### Plans for the Summer Term

I wanted to let you know that we are beginning to make plans for later in the Summer Term to run some of our 'usual' events. Our plans are conditional as they are dependent on the government's roadmap for lifting COVID-19 restrictions.

We are hoping that each class will be able to present a class assembly to their parents and the rest of the school; we are planning to hold a Sports Day and are exploring the possibility of a trip for the children. FOHPS are also in the early stages of planning a Summer Fete. Like I've already said, plans are tentative, however we feel hopeful that we can share with the whole school community some of the 'usuals' that we love.

With Miss James leaving, Miss Megan Goodman has been appointed as a new class teacher and will join our school from 1st July so will be here to welcome her new class on new class days.

The details about new class days and staff organisation for September will be published before the May half term holiday.

### ITV Anglia News—National Daily Mile Day

It's incredibly exciting that we will be featured on tonight's 6pm broadcast of ITV's Anglia News.

Today is National Daily Mile Day and we were asked if we would be part of a news feature on this. It has created lots of excitement in the school today. Year 1 & 2 are featured running and a few children were interviewed to share their thoughts on the Daily Mile. Some of the filming took place at morning break so no doubt it will be fun for families to see who they can spot running or in the background of break time!

### Family Lives—Support for parents and families

The [Family Lives](#) website is a really useful source of information and support on a range of matters that impact on family life. The organisation also has a confidential helpline.
