

Disabled Access

Disabled visitors attending our public events

Every effort is made to offer disabled visitors access to our school building. If you are planning a visit to us, please contact us 48 hours or more in advance and we will endeavour to do all we can to help.

When visiting our school, the following disabled access and facilities are available:

- 1) Parking is available close to the main reception
- 2) A disabled toilet is located in the foyer of reception
- 3) Step free access, which is suitable for wheelchair or mobility scooter users, is available in the main reception of the school building
- 4) For visually impaired visitors, assistance dogs/guide dogs are welcome on site. We are also happy to provide large print versions of event and school information. Please contact us to arrange this.
- 5) Emergency exit/evacuation of disabled visitors: the School's usual evacuation procedure applies.

For further information: please email sadmin@hartwell.northants.sch.uk or call 01604 862880.
