

PE and sport premium

The PE and sport premium is paid to LAs and distributed to maintained primary schools within their jurisdiction. Academies and free schools receive the funding directly from the ESFA.

Maintained schools, academies and free schools must publish information about their use of the premium on their website by 31 July each year. This information should include the following:

- The amount of premium received
- A full breakdown of spending or how the funding will be spent
- The impact on pupils' PE and sport participation and attainment
- How the improvements will be sustained over coming years
- What percentage of pupils within a school's Year 6 cohort are meeting the national curriculum requirement to swim competently, confidently and proficiently over a distance of at least 25 metres, use a range of strokes effectively, and perform safe self-rescue in different water-based situations

If selected, schools must also take part in a sampling review to scrutinise their compliance with the conditions.

The following tables contain fields and prompts that allow you to easily complete your reporting requirements. Examples have been included in some areas to get you started.

In addition, we have included a [PE and sport premium action plan](#) for the following academic year. This can be used to help plan your spending and ensure continued success.

PE and sport premium funding impact report

Swimming and water safety

Meeting the swimming and water safety national curriculum requirements	
What percentage of Year 6 pupils can swim competently, confidently and proficiently over a distance of at least 25 metres?	96%
What percentage of Year 6 pupils can use a range of strokes effectively, for example, front crawl, backstroke and breaststroke?	96%
What percentage of Year 6 pupils can perform safe self-rescue in different water-based situations?	100%
Has the PE and sport premium been used to provide additional provision for swimming activities over and above the national curriculum requirements?	No

Spending impact report for 2022/23

Funding received	
Number of eligible pupils: 161 (years 1 to 6)	Total amount received: £ 17,610
Funding rate: The funding rate for 2022/3 is as follows: for schools with 17 or more pupils, £16,000 plus £10 per pupils. For schools with 16 or fewer pupils, £1,000 per pupil.	
Given the need to make sustainable improvements, the government acknowledged that during the pandemic recovery, it was difficult for schools to spend their funding appropriately. During this time, the department made an exception to allow schools to carry unspent funding between academic years. Given the continued effect that managing recovery has had on schools, the government have decided to extend	

Last updated: 24 August 2022

this exception (to allow schools to carry unspent funding between academic years) for the 2022 to 2023 grant into the 2023 to 2024 academic year. Hartwell Primary School will carry forward £4,124 into the next academic year.

Objectives

1. Engaging all pupils in regular physical activity
2. Raising the profile of PE and sport across the school as a tool for whole-school improvement
3. Increasing staff members' confidence, knowledge and skills in teaching PE and sport
4. Offering pupils a broader range of sports and activities
5. Increasing pupils' participation in competitive sport

Objective 1: Engaging all pupils in regular physical activity			Percentage of total spending	
			%	
Actions taken		Funding spent	Evidence and impact	Sustainability and suggested next steps
1	PE equipment – to enhance PE curriculum	£ 2,762	Updating current equipment to ensure high curriculum can be delivered.	
2	Running track maintenance	£1,540	Ensure children have access to a daily opportunity to a running track, improving fitness	

3	Indoor and outdoor equipment inspection and maintenance	£ 215		
Objective 2: Raising the profile of PE and sport across the school as a tool for whole-school improvement				Percentage of total spending
				%
Actions taken		Funding spent	Evidence and impact	Sustainability and suggested next steps
1	PE Hub subscription	£575	Curriculum shows clear progression in lessons and enables the children to access different sports, eg Lacrosse	
2	Introduced PE section to children's planner where daily activity can be recorded	£712	Encourages children to exercise daily, recording progress in planners	
Objective 4: Offering pupils a broader range of sports and activities				Percentage of total spending
				%
Actions taken		Funding spent	Evidence and impact	Sustainability and suggested next steps
1	Sports clubs subsidised to encourage more children to take part	£ 5,992	Children encourage to increase activity before and after school.	

			100% of children were offered extra-curricular clubs	
Objective 5: Increasing pupils' participation in competitive sport				Percentage of total spending
				%
Actions taken		Funding spent	Evidence and impact	Sustainability and suggested next steps
1	Cluster Sports Partnership with EWS (secondary school)	£ 1,525	Children able to participate in cluster competitions	
2	Northamptonshire Sport Competitions	£ 25	Allowing children to participate in a wider range of sporting activities, especially SEND children	
3	Transport costs to and from events	£140	As many of the events have taken place in school time, this has enabled children to attend without the need of parental support	

u

Impact summary

High levels of children engaged in physical activity at lunchtime.

Increased level of staff confidence due to the use of PE Hub planning and support.

Increased school entries to local cluster and Northamptonshire sporting competitions with an improved performance at these.

All our Year 5 children took part in Sport Leader training and were utilised at lunchtimes to increase participation.

Key achievements to date	Areas for further improvement
<p>Our children love using the mile track every day.</p> <p>100% of our children are able to safe self-rescue in different water-based situations</p>	<p>To further develop our sporting competition entry via collaboration with the local cluster of schools.</p>
