Curl around the cat.	Around the astronaut's helmet and down into space.	Around the duck's body, up to its head and down to its feet.	Around the goat's face and curl under its chin.	Around the queen's face, down her robe and a flick at the end.	All around the octopus.	Around the elephant's eye and curl down its trunk.	Down the snake from head to tail.	Down the flamingo to its foot and across its wings.
